During my participation in the 54th International Physics Olympiad (IPhO 2024) taking place in July 2024, I understand that my picture and/or voice may be recorded by any means of photography, audio/video recording, etc.

I am aware and agree that those recordings might be used to promote the IPhO 2024 (internet, newspapers, radio, television, social media, etc.) and/or for administrative purposes including but not limited to fraud prevention. No material will be used outside the scope of IPhO 2024.

By signing this form below, I agree to the aforementioned rules. If I disagree, I send an e-mail to secretariat@ipho2024.ir by July 10th, 2024 with the title "IPhO2024 photography consent [Country]", to explicitly state where the consent is not given.
